

Sassy

the whole song is this:

EEEE A EEEE A EEEE A EEEE A

(it s quite repetitive)

We re rolling, you guys

Why?

Why?

Why?

Why?

Why am I here?

Why am I there?

I don t care

CARE!

Oh, why I m old

Sit back down

Sit back down

Sit back down

CAUSE I SAID SO!

You re so stupid

I would have done anything for you

Honey, your reputation is shit in this town

You re so stupid

I would have done anything for you

Honey, your reputation is shit in this town

Oh, why?

She s sassy

She s walking down
