

F# G# Bbm  
Inside your head, tell me what s going on  
G# F# G#  
Tell me what s going on?

Bbm  
Out of the darkness  
G#  
Into the light  
F#  
Feeling my soul  
G#  
Begging for more  
Bbm  
Break all these chains  
G#  
And take them away  
F#  
I need to break  
G#  
What I wanna change

( Bbm G# F# G# )

Bbm G#  
I m not gonna find a reason  
F# G#  
I won t doubt my mistakes

F# G#  
I know that I have changed  
Bbm G#  
I m not the same  
F# G# Bbm G#  
And I can feel that I found my way  
F# G#  
Because I won t be there  
F#  
To catch you when you fall  
G# F# G#  
To hold you when you re down

Bbm  
Out of the darkness  
G#  
Into the light  
F#  
Feeling my soul  
G#  
Begging for more  
Bbm  
Break all these chains  
G#

And take them away  
F#  
I need to break  
                  G#  
What I wanna change

Bbm  
Out of the darkness  
G#  
Into the light  
F#  
Feeling my soul  
                  G#  
Begging for more

Bbm  
Break all these chains

G#  
And take them away  
F#  
I need to break

                  G#  
What I wanna change

( Bbm G# F# G# )

More and more I see the end  
Bbm                  G#  
And that feels good  
          F#      G#      F#      G#  
I don t need to try anymore

Bbm  
Out of the darkness  
G#  
Into the light  
F#  
Feeling my soul  
                  G#  
Begging for more  
Bbm  
Break all these chains
