

Curious  
Holly Brook

Dm

Someone tell me what to do

F Gsus

I feel like I must be a fool

Dm7 F Gsus G

For ending up right back at the start

Dm7

The things that we don't comprehend

F Gsus G

Are laughing at my mind again

C Bb F

I think that I think too hard

C Bb Dm7 Ab

And I don't give enough credit to my heart

C F

I'm so

Dm7 Bb F

Damn curious to know

C F

And there are too

Dm

Many unanswered questions

Bb F/A G7 G

That I hold onto

Dm7

I've put my theories to the test

F Gsus

You know I've tried to do my best

Dm7 F Gsus

But maybe we weren't meant to strike gold

Dm7

Sometimes things that you ignore

F Gsus

Are all the things I'm looking for

C Bb F

When will I learn to let go

C Bb Dm7 Ab

Give into love and listen to my soul

C F

I'm so

Dm Bb

Damn curious to know

C F

And there are too

Many unanswered questions  
That I hold onto

Portraits of your loved ones  
Are more than what you see  
All the elements they capture  
Are more to you than me

A different dimension we've yet to define  
There's a forest to cut through with thorns and vines  
There is no reason to try

I'm so  
Damn curious to know  
And there are too

Many unanswered questions

Cause I'm so  
Damn curious to know  
And there are too

Many unanswered questions  
That I hold onto  
Like you
