Running out of breath

Like rest is out of reach

Overwhelmed and underneath

Like all my plans unraveling

But I will not fear  
**Em Bm Asus**  
You ll find me here

**D**  
I will wait for You,  
**Asus**  
I will trust in You,

Everything Youve promised me is true

You will rescue me,  
**Asus**  
Love me faithfully,

Be the peace that stills my raging sea,

The mercy in the moment of my need,

I believe
