Through My Fathers Eyes  
Holly Starr  
Capo 2      Key: A

**Ebm      B      F#      C#**

Verse 1

**Ebm                      B              F#                      C#**  
So many days I listened to the voice inside my head  
**Ebm                      B                      F#                                      C#**  
I never thought that Id be someone who could be misled  
**Ebm                      B                                      F#                      C#**  
I wanted the mirror to show me something I could not see  
**Ebm                      B                                      F#                                      C#**  
I needed explanations for expectations I could never reach

**B                                      C#**  
I know Im not the only one whos ever cried for help  
**B                                      C#**  
And Jesus did for me what I could not do myself

Chorus

**F#                                      Ebm                      B**  
He changed my life by changing my mind  
**F#                                      Ebm                      B**  
He healed all that was broken inside  
**F#                                      Ebm                      B**  
Im loving what I can see with His spirit alive in me  
**F#                                      Ebm                      B**  
Im finding beauty for the first time

Looking through my Fathers eyes  
**Ebm      B      F#      C#**  
(Looking through my Fathers eyes)

Verse 2

**Ebm                      B                      F#                      C#**  
From what I see it looks like you dont like yourself too much  
**Ebm                      B                      F#                      C#**  
When I hear you talk it sounds like you just feel like giving up  
**Ebm                      B                      F#                      C#**  
I know its hard to see through what this world will tell you  
**Ebm                      B                      F#                      C#**  
Cause misconceptions of false reflections will never be the truth

**B** **C#**  
Just know you re not the only one whos ever cried for help

**B** **C#**  
Jesus loves you in ways that you cannot love yourself

CHORUS

Bridge

**Ebm**  
I can see your freedom coming

**C#sus**  
Youll be a slave to nothing

**F#** **B**  
When you see through my Fathers eyes
