

Burning School
Holly Tree

Intro: **B - E - F#**

Chorus **E - F#**

Lyric:

I hate school more than I Think I could

they don't treat us as we like
but my parents force me to like
I'm thinking of suicide
Or my brain will liquify

they don't let us have a band
Teachers are false and teachers are sad
I just hate I can't stand
Boring Classes Boring Friends.
