

**Burning School**  
**Holly Tree**

Intro: **B - E - F#**

Chorus **E - F#**

Lyric:

I hate school more than I Think I could

they don treat us as we like  
but my parents force me to like  
I m thinking of suicide  
Or my brain will liquify

they don t let us have a band  
Teachers are false and teachers are sad  
I just hate I can t stand  
Boring Classes Boring Friends.
