These days I can t think
Of other things that aren t you
You re the girl I ve dreamed of
All my life I love you
You are so cool and rich
I don t want anything more
New car, new home, new friends
Now my life will never be boring

I don t have to work, I don t have to think
I don t have to worry, I don t have to play
I just have to say to you...I love you
