These days I can t think  
Of other things that aren t you  
You re the girl I ve dreamed of  
All my life I love you  
You are so cool and rich  
I don t want anything more  
New car, new home, new friends  
Now my life will never be boring

I don t have to work, I don t have to think  
I don t have to worry, I don t have to play
