

Crushing song
Holly Tree

B **E**
I remember when you found me
F#m **B**
I was deep in my life
G#m
I sad I wanna to try
E **F#m**
I never realized how all that would end
B **E**
And I know you must be thinking
F#m **B**
That i m just lonely fool
G#m **E**
But I m just confused and I wanna prove
F#m
That I m really sad

Ref:

E **F#m**
Sorry but I tried but I couldn t tell you lies
B **G#m** **E**
My mind was out control
F#m **B**
I was afraid to hurt myself
E
Sorry about that night
F#m
But when I looked inside my heart
B **G#m** **C#m** **E**
I realized my sense s running other way
F#m **B**
I have nothing more to say
B **E** **F#m** **B**
Sometimes I remember you were so good to me
G#m **E**
We never were scared I thought I had a plan
F#m
That would never end
B **E**
And I hope one day we ll be friends
F#m **B**
Like the way we used to be
G#m

But now it s really hard
E
 Our lives just fall apart
F#m
 I m broke up again

Ref:

E **F#m**
 Sorry but I tried but I couldn t tell you lies
B **G#m** **E**
 My mind was out control
F#m **B**
 I was afraid to hurt myself
E
 Sorry about that night
F#m
 But when I looked inside my heart
B **G#m** **C#m** **E**
 I realized my sense s running other way
F#m **B**
 I have nothing more to say
