

**A Good Man**

**Holly Williams**

Capo on 6.

The first verse is acapella but you can play the chords the same as the other verses if you like.

**F**                    **C**                    **Bb**  
If I never saw you once again  
**F**                    **C**                    **Bb**  
If suddenly you met your bitter end  
**F**                    **C**                    **Dm**  
I'm not sure I'd ever understand  
**Bb**                    **C**                    **F**  
But I could say I loved a good man

**F**                    **C**                    **Bb**  
If I couldn't hold you anymore  
**F**                    **C**                    **Bb**  
Or leave the world to lie at our front door  
**F**                    **C**                    **Dm**  
And crawl inside this hiding place with you  
**Bb**                    **C**                    **F**  
I'm not sure I'd ever make it through

**Bb**                    **F**  
Oh your tender heart,  
**Bb**                    **C**  
Taught me the hardest part that I could never learn  
**Dm**                    **Bb** **F**                    **C**  
And everything you do promises I love you  
**Bb**                    **C**                    **Dm**  
If you ever slip out of my hands  
**Bb**                    **C**                    **F**  
I could say I loved a good man

**F**                    **C**                    **Bb**  
Looking at your face across the room  
**F**                    **C**                    **Bb**  
Everything else fades but me and you  
**F**                    **C**                    **Dm**  
Love is not as simple as it seems  
**Bb**                    **C**                    **F**  
But I have learned to trust the space between

**Bb**                    **F**  
Oh your tender heart,  
**Bb**                    **C**  
Taught me the hardest part that I could never learn

**Dm** **Bb** **F** **C**  
And everything you do promises I love you  
**Bb** **C** **Dm**  
If you ever slip out of my hands  
**Bb** **C** **F**  
I could say I loved a good man

**Dm** **Bb** **F**  
When I look back on our years together  
**Dm** **Bb** **F**  
The only one I gave my whole heart to  
**Dm** **Bb** **F**  
I hope that we re still counting on forever  
**C** **Bb** **C**  
Like it s something new

**Bb** **F**  
Oh your tender heart,  
**Bb** **C**  
Taught me the hardest part that I could never learn  
**Dm** **Bb** **F** **C**  
And everything you do promises I love you  
**Bb** **C** **Dm**  
If you ever slip out of my hands  
**Bb** **C**  
I could say I held  
**Bb** **C**  
I could say I knew  
**Bb** **C** **F**  
And I could say I loved a good man
