

The Highway
Holly Williams

It sounds nice if you hammer on and off the D string during the Cadd9.

CAPO ON SIX.

G **D**
I ve been sitting here wondering if I ll ever get

Em7

Back to those wheels, will I ever be

Cadd9

Changing those strings out before nine

G **D**
I am wishing for the life that I used to live

Em7

Giving everything that I had to give

Cadd9

In a brand new city bout every night

D **Em7** **Cadd9**
Missing those nights, missing that sky, I been missing home

D **Em7** **Cadd9**
Missing their smiles, missing those miles, I been missing home

G **D/Dsus4/D**

Out there on the highway, out there on the open road

Em7

Ooh baby will you roll with me, roll with me

Cadd9

Head down to New Orleans

G

I should be wearing out the blacktop

D **Dsus4/D**

Out there with the boys I love

Em7

Everybody will you roll with me, roll with me

Cadd9

Running down this dream

G

And get me out there on the highway

G **D**
I ve been sitting here asking him every night

Em7

For a brand new song and a piece of mind

Cadd9

The road is all I think about these days

G **D**
All I need is out there, I will be just fine

Em7

With a 6 string guitar and a jug of wine

Cadd9

When the lights go down around that stage
