

The Highway
Holly Williams

It sounds nice if you hammer on and off the D string during the Cadd9.

CAPO ON SIX.

F **C**
I ve been sitting here wondering if I ll ever get
Dm7Back to those wheels, will I ever be
Bbadd9Changing those strings out before nine
F **C**
I am wishing for the life that I used to live
Dm7Giving everything that I had to give
Bbadd9In a brand new city bout every night

C **Dm7** **Bbadd9**
Missing those nights, missing that sky, I been missing home
C **Dm7** **Bbadd9**
Missing their smiles, missing those miles, I been missing home

F **C/Csus4/D**
Out there on the highway, out there on the open road
Dm7Ooh baby will you roll with me, roll with me
Bbadd9Head down to New Orleans

F
I should be wearing out the blacktop
C **Csus4/D**
Out there with the boys I love
Dm7Everybody will you roll with me, roll with me
Bbadd9Running down this dream

F
And get me out there on the highway

F **C**
I ve been sitting here asking him every night
Dm7For a brand new song and a piece of mind

All I need is out there, I will be just fine
