

The Highway
Holly Williams

It sounds nice if you hammer on and off the D string during the Cadd9.

CAPO ON SIX.

F# **C#**
I ve been sitting here wondering if I ll ever get
Ebm7
Back to those wheels, will I ever be
Badd9
Changing those strings out before nine
F# **C#**
I am wishing for the life that I used to live
Ebm7
Giving everything that I had to give
Badd9
In a brand new city bout every night

C# **Ebm7** **Badd9**
Missing those nights, missing that sky, I been missing home
C# **Ebm7** **Badd9**
Missing their smiles, missing those miles, I been missing home

F# **C#/C#sus4/D**
Out there on the highway, out there on the open road
Ebm7
Ooh baby will you roll with me, roll with me
Badd9
Head down to New Orleans

F#
I should be wearing out the blacktop
C# **C#sus4/D**
Out there with the boys I love
Ebm7
Everybody will you roll with me, roll with me
Badd9
Running down this dream

F#
And get me out there on the highway

F# **C#**
I ve been sitting here asking him every night
Ebm7
For a brand new song and a piece of mind
Badd9
The road is all I think about these days
F# **C#**
All I need is out there, I will be just fine

Ebm7

With a 6 string guitar and a jug of wine

When the lights go down around that stage
