

The Highway
Holly Williams

It sounds nice if you hammer on and off the D string during the Cadd9.

CAPO ON SIX.

A **E**
I ve been sitting here wondering if I ll ever get
F#m7
Back to those wheels, will I ever be
Dadd9
Changing those strings out before nine
A **E**
I am wishing for the life that I used to live
F#m7
Giving everything that I had to give
Dadd9
In a brand new city bout every night

E **F#m7** **Dadd9**
Missing those nights, missing that sky, I been missing home
E **F#m7** **Dadd9**
Missing their smiles, missing those miles, I been missing home

A **E/Esus4/D**
Out there on the highway, out there on the open road
F#m7
Ooh baby will you roll with me, roll with me
Dadd9
Head down to New Orleans

A
I should be wearing out the blacktop
E **Esus4/D**
Out there with the boys I love
F#m7
Everybody will you roll with me, roll with me
Dadd9
Running down this dream

A
And get me out there on the highway

A **E**
I ve been sitting here asking him every night
F#m7
For a brand new song and a piece of mind
Dadd9
The road is all I think about these days
A **E**
All I need is out there, I will be just fine
