

Hey Mama  
hollyn

**C9** **G/B** **C9** **G/B**  
Hey mama, it s been the world since we talked

**C9** **G/B** **C9** **Bm7**  
But all I really need right now is a voice to pull me out of the dark

**C9** **G/B** **C9** **G/B**  
Hey mama I know we are worlds apart

**C9** **G/B** **C9** **C9** **G**  
But is there anything you can say to mend this broken heart

**Am7** **G/B**  
Cuz I m feelin all alone

**C9**  
My heart is longing to be home

**Cm**  
Hoping I can catch you on the phone

Hey mama, so many questions on my mind

And if I could go back, oh,

**Bm - Am7**  
Yeah, I d hold the hand of time

Hey mama, I never thought that I would lose my way

But all I really want right now is to hear what you would say

**Bb** **F** **G**  
You tell me, baby hold on after the dark comes a dawn

**Dm** **C# - C**  
And there s a new sun risen, a new sun risen

**G** **F**  
No matter when or where, God would always here your prayer

**Fm**  
Yeah, he will always be, he will always be right there

**Am7** **G/B**  
Cuz I m feeling all alone

**Em**  
My heart is longing to be home

**Dm**  
Hoping to catch you on the phone

**Am7** **G/B** **C9**  
Now I m feeling down and out losing myself in this big town

**C9**  
And I could use some you right now

Hey mama, it s been the world since we ve talked,  
But all I really need right now is a voice to pull me out of the dark  
Hey mama, I know we re worlds apart  
But you ve always given me a place to open up my heart  
Open up my heart, to open up my heart
