City
Hollywood Undead

Capo 1

[Intro:]
```
Fm                 C#      G#                Eb
   Let s watch it burn
Fm                 C#      G#                Eb
   Let s watch it burn,     Let s watch this city burn the world
```

[Chorus:]
```
Fm                C#
  Let s watch this city burn
G#                          Eb
  From the skylights on top of the world
Fm                  C#
   Til there s nothing left of her
G#                      Eb
  Let s watch this city burn the world
```

[Verse 1:]
```
   Fm                            C#
My body doused in ash with two empty cans of gas
        G#                        Eb
The only evidence they have is a police sketch of my mask
        Fm                          C#
And it s hard at times to ask if you can save my heart for last
        G#                          Eb
And it s hard to face the facts when the darkness fades to black
```

```
    Fm                            C#
It s not just make believe when they make me take a seat
        G#                    Eb
And they put amphetamines in the air and make me breathe
       Fm                        C#
So come on and grab your children, look out for burning buildings
    G#                          Eb
And villains who pillage, they re killing by the millions
    Fm                    C#
And billions of people die for a lost cause
        G#                    Eb
So now I pray to my nation destroyed under god
```

[Pre-Chorus:]
```
        Fm          C#
(It s the end of the world)
       G#
All my battles have been won
```

```
         Eb
But the war has just begun

[Chorus:]
Fm                  C#
  Let s watch this city burn
G#                       Eb
  From the skylights on top of the world
Fm                    C#
   Til there s nothing left of her
G#                   Eb
  Let s watch this city burn the world

[Verse 2:]
     Fm                       C#
The city looks so pretty, do you wanna burn it with me?
        G#                       Eb
 Til the skies bleeds ashes and the fucking skyline crashes
     Fm                      C#
They catch us with matches to ignite the flame
          G#                       Eb
And all the hopes of a youth deemed fucking insane

          Fm
They say, Take the pill, In god we trust
C#
Go and kill, God loves us
G#
As in life as in death
Eb
Breathing  til there is no breath

Fm                    C#
I will not die in the night but in the light
     G#                          Eb
Of the sun with the ashes of this world in my lungs
    Fm                   C#
But who am I to say let s all just run away
G#                              Eb
Grab your saints and pray, we re gonna burn this world today.

[Pre-Chorus:]
            Fm          C#
(Say it s the end of the world)
     G#
As in heaven as on earth
           Eb
We ve been dead since our birth

[Chorus:]

Fm                   C#      G#                     Eb
   Let s watch it burn
```

```
Fm                       C#        G#                      Eb
   Let s watch it burn
      Fm
The city looks so pretty,
        C#
Do you wanna burn it with me?
     G#
The city looks so pretty
        Eb
Do you wanna burn it with me?
      Fm
The city looks so pretty
        C#
Do you wanna burn it with me?
     G#
The city looks so pretty
        Eb
Do you wanna burn it with me?

[Verse 3:]
            Fm
We use the trees as torches
        C#
Do you wanna burn it with me?
          G#
Fill the streets with corpses
        Eb
Do you wanna burn it with me?
           Fm
Watch the city fucking bleed
        C#
Do you wanna burn it with me?
            G#
Bring the world to its knees
        Eb
Do you wanna burn it with me?

[Chorus:]
Fm                     C#
  Let s watch this city burn
G#                            Eb
  From the skylights on top of the world
Fm                        C#
   Til there s nothing left of her
G#                      Eb
  Let s watch this city burn the world

Fm                     C#
  Let s watch this city burn
G#                            Eb
  From the skylights on top of the world
Fm                        C#
   Til there s nothing left of her
```

```
G#                        Eb
   Let s watch this city burn the world

[Outro:]
Fm                    C#      G#                        Eb
   Let s watch it burn
Fm                    C#      G#                        Eb
   Let s watch it burn,      Let s watch this city burn the world
```
