[Intro] **Em, C, G, D** x4

[Verse 1]

Em

As I walk through the valley of the shadow of death,

C

I wear my crown of thorns and pull the knife out my chest.

G

I keep searching for something that I never seem to find.

D

But maybe I won't, because I left it all behind.

Em

Now I'm stuck with this, and that'll never change

C

Always a part of me, until the very last day.

G

Where to go from here? What road to travel on?

D

I spent my whole life choosing, and I always chose wrong.

Em

Will I try to have the will to be alive?

C

Will I try because I've never seen the light?

G

Blow it to the ground and it's now you see,

D

You spent your whole life taking the best of me

[Chorus]

Em

Where'd you go? Where's your home?

C

How'd you end up all alone?

G

D

Can you hear me now?

Em

There's no light, there's no sound.

C

Hard to breathe, when you're underground.

G

D

Can you hear me now?

Em D

Hear me now

[Verse 2]

Em

How long can I keep pretending to be?

C

That all the stars in the sky could mean something to me.

G

Heaven will open up if I live on my knees.

D

A man of many words, but a man of few deeds.

Em

Walking these streets, so absent of hope.

C

A pillow of concrete, a man with no home.

G

Lend him a hand, then we're walking the way.

D

Leave the virtue of pity, but we live with the shame.

Em

So scared to dream in a world with no sunlight.

C

When you wake up, you know it's darker than last night.

G

Quickly we forget, sacrifice gone by.

D

Born to walk away, been walking my whole life.

[Chorus]

Em

Where'd you go? Where's your home?

C

How'd you end up all alone?

G

D

Can you hear me now?

Em

There's no light, there's no sound.

C

Hard to breathe, when you're underground.

G

D

Can you hear me now?

Am

Hear me now

[Bridge]

C

Look into my eyes and I see

G

D

What do I see? Nothing at all (Nothing at all)

Am

C

Take another look around me
