Capo 1

[Intro/outro riff]

```
e|-----2-2--0-0---2-2-----|
B|-0-----|
G|-4-4----4-----4-----4-4---|
D|-----|
A|-----|
E|-----|
```

 x2

[Chorus]

```
          Bm
We are young
          D
But we have heart
          G          A
Born in this world as it all falls apart
          Bm
We are strong
          D
We don t belong
          G          A
Born in this world as it all falls apart
```

**Bm**

[Verse 1]

```
          Bm          A
I see the children in the rain like the parade before the pain
          G          F#m          Em
I see the love, I see the hate, I see this world that we can make
          Bm          A
I see the life, I see the sky, Give it all to see you fly
          G          F#m          Em
Yes, we wave this flag of hatred, but you re the ones who made it
          Bm          A
Watch the beauty of all our lies passing right before my eyes
          G          F#m          Em
I hear the hate in all your words. all the wars to make us hurt
          Bm          A
We get so sick oh so sick, we never wanted all this
          G          F#m          Em
```

Medication for the kids with no reason to live

**Bm**

**A**

So we March to the drums of the damned as we come

**G**

**F#m**

Watch it burn in the sun we are numb

[Chorus]

**Em Bm**

We are young

**D**

But we have heart

**G**

**A**

Born in this world as it all falls apart

**Bm**

We are strong

**D**

We don't belong

**G**

**A**

Born in this world as it all falls apart

[Verse 2]

**Bm**

**A**

As we walk among these shadows, in these streets, these fields of battle

**G**

**F#m**

**Em**

Take it up, we wear the medal, raise your hands with burning candles

**Bm**

**A**

Hear us whisper in the dark, in the rain you see the spark

**G**

**F#m**

**Em**

Feel the beating of our hearts, fleeting hope as we depart

**Bm**

**A**

All together, walk alone against all we've ever known

**G**

**F#m**

**Em**

All we've ever really wanted was a place to call our home

**Bm**

**A**

But you take all we are; the innocence of our hearts

**G**

**F#m**

**Em**

Made to kneel before the altar as you tear us apart

**Bm**

**A**

So we March to the drums of the damned as we come

**G**

**F#m**

Watch it burn in the sun we are numb

[Chorus]

**Em Bm**

We are young

**D**

But we have heart

**G**

**A**

Born in this world as it all falls apart

**Bm**

We are strong

**D**

We don't belong

E|-----|

Thats it!

This is my first chord/tab. Let me know if it helped and how i can improve it!
