Holyfield

Am Fm C G
Well I ve got plans to let you in, And you ve got a way to share
Am Fm C G
Nobody else is coming here, I ve got a way to care
Am Fm C G
You ve got a way to break it off, Like I can just watch it shoo
Am Fm C G
And I got a way to let you know, I don t know what you do... It s you

[Refrão]

Fm G
But I will take you for another way
Am G
But I won t ever be the one to know
Fm G
You can break me on another day
Am G
But I wont ever be the one to show

Am Fm C G
I ve got a way to let you know, and you ve got a way to do
Am Fm C G
When everything else is coming clear, I ve got a plan to get through
Am Fm C G
Nobody else is wide awake, like I am when I see you
Am Fm C G
Well I got a way to get us outta here, show you what I can do... It s you.

[Refrão]

Fm G
But I will take you for another way
Am G
But I won t ever be the one to know

Am G
But I wont ever be the one to show

          Riff 4          Riff 1
I ve got me a perfect plan to get away
          Riff 2          Riff 3
Everything will work out, as I see what s been true
          Riff 4
You ve got all those wasted nights, around from here to you
Am          Am/G#          Am/G
Nobody else is changing, and I have paid my dues
          Am/F#
Turned me off from all those things you said you would do
Am          Am/F#          Am/G
Suddenly I feel wasted I need to separate
          Am/F#
From all the drugs and alcohol I did today
