

My Friends Suck
Homegrown

VERSE

D **G** **Bm** **A**
I feel estranged from all my friend s

D **G** **Bm** **A**
I feel the disconnection I guess I don t need them

D **G** **Bm** **A**
When they re around they all criticize

D **G** **Bm** **A**
My friend s don t understand they re hurting me inside

PRECHORUS

G **D** **A** **G** **D** **A**
Overcoming all my fears constantly criticized by all my peers

G **D** **A** **G** **D**
I don t want you around me anymore find someone else to be your friend

CHORUS

A pause **D** **G** **Bm** **A**
leave me alone.... leave me alone leave me alo- one leave me

D **G** **Bm** **A** **A**
alone leave me alo--one

Then verse 2 and chorus, the chords are the same. I know the intro, if anyone really wants it, e-mail me elysianderek@gmail.com Not sure if many people know this song, so don t wanna spend too much time. excellent song though. intro is just picking a **D5**, **G5**, **B5**, **A5** Would be happy to tab for anyone that really wants it. have fun
