

I Saw You In A Dream
Honey Moon

[Intro]

E

[Verse 1]

E

Said that we d be friends,
But broken wings just need some time to mend,
You re trying hard to fly,
Sometimes it s just better to lay down and cry.

And you called me up,
I don t think I was being happy now,
Moving on,
Isn t it about time somebody won?

[Chorus]

I saw you in a dream
I was letting you just float downstream
I saw you in a dream
I was tired of sending you out to sea

[Verse 2]

E

Love will win in the end,
I ve got a lot of faith in that, my friend
It s working now for me,
Maybe not so much for you but soon we ll see.

[Chorus]

E Emaj7 E6
I saw you in a dream,
 E7 A
I was letting just float downstream,
 E Emaj7 E6
I saw you in a dream,

I was tired of sending you out to sea.
