Mover In The Dark
Honey Moon

[Intro]
```
F    |Dm   |Gm   |      |
F    |Dm   |Gm   |N.C. |
```

[Verse 1]
```
F                 Dm              Gm
   I know you re crying, you re feeling so upset,
F                 Dm                 Gm                        Am
   You wanted a bit of my love, to go with your happiness.
```

[Refrain]
```
Bb          Bbm                       Am            Dm
   And when I  see you darling, I look far behind your eyes,
                          Gm      N.C.                     F
Know what you re thinking of, well it s always been there.
```

[Verse 2]
```
F        Dm              Gm
   I see you creep, you re a mover in the dark,
F                 Dm              Gm                 Am
   Your love is like a fire girl, been searching for a spark.
```

[Refrain]
```
Bb          Bbm                       Am            Dm
  And when I  see you darling, I look far behind those tears,
                       Gm                      C  C#
Know you re thinking of me after all these years.
```

[Chorus]
```
D Dmaj7            G
Please don t leave me here,
        A                   D      Dmaj7
 Cause I know you want it so bad,
           G
Don t leave me here,
       Bb                    F
 Cause I know you want it so bad.

F    |Dm   |Gm   |      |
F    |Dm   |Gm   |      |
```

[Verse 3]
```
F                 Dm          Gm                    C
   Struck down by daylight, losing all control,
F          Dm                     Gm                    Am
   Trust me when I say there s no  harm in letting go.
```

[Refrain]
```
Bb            Bbm                      Am               Dm
   Cause when I  see you darling I look far behind those eyes,
                         Gm                 C C#
Know you re thinking of  love with no comprimise.
```

[Chorus]
```
D Dmaj7           G
Please don t leave me here,
     A                     D      Dmaj7
 Cause I know you want it so bad,
         G
Don t leave me here,
     Bb               D      Dmaj7
 Cause I know you want it so bad.
         G
Don t leave me here,
     A                 D  Dmaj7 C# G
 Cause I know you want it so bad.
