

So Little Time
Honeywater

[Intro]

D **G**

[Verse 1]

D
I ve been dreaming of my family
G
The ones I read about but never see
D
And I ve wasted time remembering
G
Trying to see if these memories are really any good
D
And love is always on my mind

Though in the past to me she s not been kind
G
And even when she s kind, she isn t kind
A **G**
She leaves me with so little time and so much want

[Chorus]

Em **A**
Maybe when we all get older
G
Things will be fine again

Just like when I was ten
Em **A**
Maybe when we all get older
G
I ll see you
A
Again

D

[Verse 2]

D
So to my cousins and their parents
G
Let me just say this: I have not forgotten you
D
You know how much I cherished

Our one midnight in Paris
G

Watching green go blue

[Chorus]

Em **A**
Maybe when we all get older
G
Things will be fine again

Just like when I was ten
Em **A**
Maybe before it s all over
G
I ll see you
A
Again

[Outrol]

D **G** x2
