F# **A#M**
One record down and I m riding in this piece of shit

[Verse 1]

F# **A#M**
Five gears, five doors, a tape player
D#m **C#**
Now at the time I thought it couldn t get better
B
You probably heard me when I drove right past
B
Windows down Money Trees on full blast
F# **A#M**
She s no Merc, she s no Jag, or a Beamer
D#m **C#**

B
And I m just happy getting A to B
B
Kinda sucky having mum drive me (I love you)
F#
Now I know there is an age gap
F#
But I m pretty sure that we can see past that
B
I don t care if there s a problem with your body
B
Cause it s what goes on inside that matters to me
F#
Don t I know you like to drink up
F#

You could guzzle down that juice and never wake up

B

But I know deep down you wanna make me happy

B

It s all you ever wanna do
