Verse 1:

E	Ema j7	Ama j	Ema j
I	m	waking	up
I	think	that	I
Laying	around	soaking	up
Drowning	out	the	television

Pre-Chorus:

C#	Eb
There	s
No	reason
Nobody	s
Anywhere	you

Chorus:

A **B**
You might as well believe in something

E **B** **A**
In the strangest of places

B
I finally found you
I finally found you

Verse 2:

E **Ema j7**
Too many cars not going far
Ama j **Ema j**
Enough to get you to a bar
Where you can drink and think about
That girl that gave you the perfect scar
Oh you know there s a story there
Somewhere underneath her hair
That she twirled on her finger
Drink and let this moment linger

Pre-Chorus:

C# **Eb**
There s nothing to see here
E **F#** **E**
No reason to be here waiting on the telephone line
A **B** **E**
Nobody s calling me anyway
A **B** **C#** **B**
Anywhere you go it s like you re gone but when you re here

Chorus:

A **B**
You might as well believe in something
E **B** **A**
In the strangest of places
B
I finally found you
I finally found you

Bridge:

C#m **E**
Blame it all on satelllites
C#m **B**
Causing too much interference
F#m **A** **B**
No one hangs around when they get lonely, yeah
E (High) **A** **B** **A**
But me, I think I ll stick around and watch them tear it down
C#m **B** **E** **B** **E**

Maybe climb a mountain so I can get a better view of the world

Chorus

In the strangest of places (x2)

I finally found you (x2)

(I m waking up with a new sensation) (x2)
