amazing band

ilovethemm

this is my first chord/tab thing so im sorry if i did it wrong! i am sure the chords are right though!

**F** **C**  
In chapter one, you were my summer crush

**Am**  
Chilled at the beach from dawn to dusk

**G** **F**  
Under my umbrella ella ella eyyy

**C**  
In chapter two, it got more serious

**Am**  
Changed from you and me to them and us

**G**  
Oh, it felt like the other piece

**F** **C**  
But the words got swept away

**Am** **G**  
And the rain let us off the page

**F** **C** **Am**  
Please don t tell me this is the end of the story

**G** **F**  
Don t close the book on me, don t you close the book on me

**C** **Am**  
We ve gone our separate ways, we ll meet up on another page

**G** **F**  
Don t close the book on me, don t you close the book on me

**C**  
In chapter three, went off and chased the dream

**Am**  
To get your ghost that s haunting me

**G**  
It was scarier to be without you

**F** **C**  
But I know that in the end

**Am**  
Need some time to take a pen

**G** **F**  
And write a chapter of my own

**F**                      **C**                                      **Am**  
 Please don t tell me this is the end of the story  
                                  **G**                                      **F**  
 Don t close the book on me, don t you close the book on me  
                                  **C**                                      **Am**  
 We ve gone our separate ways, we ll meet up on another page  
                                  **G**                                      **F**  
 Don t close the book on me, don t you close the book on me

**F**                      **C**  
 Oh oh oh oh oh

**Am**  
 Oh oh oh oh oh

**G**  
 Oh oh oh oh oh  
 (repeat)

Yeah yeah!

**F**                      **C**                                      **Am**  
 Please don t tell me this is the end of the story  
                                  **G**                                      **F**  
 Don t close the book on me, don t you close the book on me  
                                  **C**                                      **Am**  
 We ve gone our separate ways, we ll meet up on another page  
                                  **G**                                      **C**  
 Don t close the book on me, don t you close the book on me
