amazing band

ilovethemm

this is my first chord/tab thing so im sorry if i did it wrong! i am sure the chords are right though!

F **C**
In chapter one, you were my summer crush

Am
Chilled at the beach from dawn to dusk

G **F**
Under my umbrella ella ella eyyy

C
In chapter two, it got more serious

Am
Changed from you and me to them and us

G
Oh, it felt like the other piece

F **C**
But the words got swept away

Am **G**
And the rain let us off the page

F **C** **Am**
Please don t tell me this is the end of the story

G **F**
Don t close the book on me, don t you close the book on me

C **Am**
We ve gone our separate ways, we ll meet up on another page

G **F**
Don t close the book on me, don t you close the book on me

C
In chapter three, went off and chased the dream

Am
To get your ghost that s haunting me

G
It was scarier to be without you

F **C**
But I know that in the end

Am
Need some time to take a pen

G **F**
And write a chapter of my own
