Unpredictable - Honor Society

By: Jessica Luu (@JessicaLuvHS)

Am

There was a place we used to go

G

When we were young, the gravel road

F **Am G F C**

We wasted all our summers holding hands, oh

C

I went to college out of state

G

A path so sure I had to take it

F

We promised that we'd be the same

Am G F C

When I got back, you were gone

F G

Now I'm driving around my old hometown

Am F

Wondering how I let you slip away

F G

And just when you think you've got it figured out

Everything changes, yeah

F

Do you ever think you made the wrong decision?

G

What would happen if you ever did it differently

Am G F

Cause just trying to live a life, can be
unpredictable

Do you ever think you made the wrong decision?

G

Do you wonder if you ever should have stayed with me?

Am G F

Cause just trying to live a life, can be unpredictable

And it's unpredictable **Am G F C** (2x)

Am

I got back home, the weather changed

G

They called for sun but we got rain

F

The gravel road must've been rearranged

Am G F C

Cause I was waiting there, just like we planned

C

I did the party thing at school

G

Got over it, pretty soon

F

I graduated, thought I made it

Am G F C

But oh no, oh no

F

G

So I'm back at the place where I started from

Am

F

Feels like I haven't moved at all

F

G

When all of the things that you count on begin to fall

Chorus

F G Am G

I don't belong here

Am G F C G

Where did I go wrong, here?

F G Am G (x3)

And I'm feeling older

F

G

Am

I can feel the changes all around me, here they come again

Chorus
