

Crawling In The Dark
Hoobastank

If you want to play it acoustic it sounds good to me like this:

Em C D Em
I will dedicate and sacrifice my every
C D C D
Thing for just a second s worth of how my story s ending
Em C D Em C
And I wish I could know if the directions that I take
D C D
And all the choices that I make won t end up all for nothing

(Chorus)

Em C D Em C D C
Show me what it s for - make me understand it
D C D
I ve been crawling in the dark, looking for the answer
Em C D Em C D C
Is there something more - than what I ve been handed?
D C D
I ve been crawling in the dark, looking for the answer

Em C D Em
Help me carry on - assure me it s okay to
C D C D
Use my heart and not my eyes to navigate the darkness
Em C D Em C
Will the ending be, ever coming suddenly?
C D C D
Will I ever get to see the ending to my story?

(Chorus)

Break

Em Em Em Em Em D (x2)

So when and how will I know?

Em Em Em Em Em D (x2)

C D Em
How much further do I have to go?
C D G
And how much longer until I finally know?
C D Em
Cause I m looking and I just can t see
C D
What s in front of me... in front of me

(Chorus)

Just my opinion..

Terry Cunningham
