

Don't Tell Me
Hoobastank

The song starts of with just pianos and stuff, and then you start off with:

```
e|-----|
B|-----|
G|-----66666666-----|
D|----66666666-66666666-444444-6-666-22222222-77777777-|
A|----66666666-44444444-444444-6-666-22222222-77777777-|
D|----66666666-----444444-6-666-22222222-77777777-|
```

The chorus is pretty much the same thing, just a bit slower.

CHORUS:

```
e|-----|
B|-----|
G|-----6666-----|
D|----6666-6666-444-6-666-2222-7777-| (x2)
A|----6666-4444-444-6-666-2222-7777-|
D|----6666-----444-6-666-2222-7777-|
```

The pre-chorus is just the piano again.

Right before the chorus, play:
