Is This The Day
Hoobastank

```
             Am      G     Dm       F/G
Is this the day? My final curtain called.
            Am       G       Dm       F/G
What have I done? Looking back on it all.
              Am       C        Dm       F/G
So many have cried. Out of love, out of faint.
             Am       G      F#m        F/G
Unsaid  goodbye . Is this the day?
```

Refrão:
```
     C
And if it is - I ll be okay
      G
With letting go of everything.
       Am                         Fm
I ll leave it all behind, it s been quite a ride.
      C
So many laughs, so many tears.
G
All my dreams and all my fears
       Am                   F               Fm
Will all get washed away. If this is the daaaaaay.
```

```
            Am        G         Dm        F/G
Is this the day, that I ve been preparing for?
              Am         G        Dm        F/G
Mending the wounds, that I ve should have done before.
              Am      C        Dm       F/G
And all of the love. Love that I gave away.
          Am                    G
Will I now what it s for? Is there something more?
        F#m                  F/G       F/G
I ll found out if this is the daaaaaaaaaaaaaaaaaaay.

```

```
         Em                              Am
Is this the day, when I ll finally get answers
      F                       C
To questions that I ve had so long?
                 Em                        Am
And is this the day that there ll be no tomorrow?
         Bb
For tomorrow I could be gone.
       C                 G
But you don t have to cry.
Am              F
I will be alright.
C                   G
You don t have to cry.
Am              Fm
I will be alright.
