

Land Of Giants
Hooded Fang

Hi, this is my first tab, but I m pretty sure I have this right. Sadly, I do not know the little riffs that guitar 2 does. If anyone knows them please post them as a correction and I will add them to this tab.

Chords for guitar 1:

C: x32010

Am: x02210

F: 133211

or F:xx3211 if the barre chord is too hard for you. This version of F is not used in the song.

Chords for guitar 2:

C*: x35553

Am*: 577555

F*: 133211

Note: Chords for guitar 2 will be on top of guitar 1 s chords with a *
