G

Here you come, you re all dressed in black

Cadd9 **G**

Don t you know that I am here for you ?

Times, they are tough, sometimes it gets you down

Cadd9 **G**

But I ll help with what you want to do ...

Cadd9 **G**

And if you try too hard

Cadd9 **G**

You ll only push it too far

Cadd9 **G** (**D#,D#, D,C,A#, G**)

We know who you are - a superstar.

G

You have been hurt, you re sorry for yourself

Cadd9 **G**

Well, there is no argument

So you retreat, hiding your love away

Cadd9 **G**

Well, that is no testament

Cadd9 **G**

... And you could cry yourself a river

Cadd9 **G**

I say damn your eyes

Cadd9 **G** (**D#,D#, D,C,A#, G**)

You re not such a tragic figure " realize

G

Here they come, they re all dressed in black

Cadd9 **G**

When you ve always been your own man

G

You have a friend, but if you can't look back

Cadd9 **G**

Then I'll try to understand ...

Cadd9 **G**

Cause it's surely my concern

Cadd9 **G**

That your fire still burns

Cadd9 **G**

So we each must take our turn to live and learn.

(**D#**, **D#**, **D**, **C**, **A#**, **G**)

Do it now.
