

I Want You Back
Hoodoo Gurus

Intro - **G** **Em** x2

[**G**]I can still recall the [**Em**]time
[**G**]She said she was always [**Em**]mine
Then she [**A**]left, as people [**G**]do,
And [**A**]forgets what we ve been [**G**]through

[**G**]It s not that she s gone [**Em**]away
[**G**]It s the things I hear she [**Em**]has got to say
About [**A**]me - and about my [**G**]friends
When [**A**]we ve got no [**G**]defence.

That s [**D**]her, I ll never believe her [**C**]again
She might have deceived all my [**D**]friends
I know they will see in the [**C**]end
What it all means when she [**B**]says (yeah!)
[**E** **G**]I [**C**]want you [**A**]back (She says) x4

Instrumental- **G** **Em** x2

But what s [**A**]worse, she thinks it s [**G**]true
But that s just [**A**]her she always was a [**G**]little bit confused
[**A**]She s not worth the [**G**]time I had to lose

That s [**D**]her, I ll never believe her [**C**]again
She might have [**D**]deceived my [**C**]friends
I know they will see what it means when she [**B**]says (yeah!)
[**E** **G**]I [**C**]want you [**A**]back (She says) x10 end on **E**
