

I Want You Back
Hoodoo Gurus

Intro - **F Dm** x2

[**F**]I can still recall the [**Dm**]time
[**F**]She said she was always [**Dm**]mine
Then she [**G**]left, as people [**F**]do,
And [**G**]forgets what we ve been [**F**]through

[**F**]It s not that she s gone [**Dm**]away
[**F**]It s the things I hear she [**Dm**]has got to say
About [**G**]me - and about my [**F**]friends
When [**G**]we ve got no [**F**]defence.

That s [**C**]her, I ll never believe her [**Bb**]again
She might have deceived all my [**C**]friends
I know they will see in the [**Bb**]end
What it all means when she [**A**]says (yeah!)
[**D F**]I [**Bb**]want you [**G**]back (She says) x4

Instrumental- **F Dm** x2

But what s [**G**]worse, she thinks it s [**F**]true
But that s just [**G**]her she always was a [**F**]little bit confused
[**G**]She s not worth the [**F**]time I had to lose

That s [**C**]her, I ll never believe her [**Bb**]again
She might have [**C**]deceived my [**Bb**]friends
I know they will see what it means when she [**A**]says (yeah!)
[**D F**]I [**Bb**]want you [**G**]back (She says) x10 end on **D**
