

I Want You Back
Hoodoo Gurus

Intro - **F# Ebm** x2

[**F#**]I can still recall the [**Ebm**]time
[**F#**]She said she was always [**Ebm**]mine
Then she [**G#**]left, as people [**F#**]do,
And [**G#**]forgets what we ve been [**F#**]through

[**F#**]It s not that she s gone [**Ebm**]away
[**F#**]It s the things I hear she [**Ebm**]has got to say
About [**G#**]me - and about my [**F#**]friends
When [**G#**]we ve got no [**F#**]defence.

That s [**C#**]her, I ll never believe her [**B**]again
She might have deceived all my [**C#**]friends
I know they will see in the [**B**]end
What it all means when she [**Bb**]says (yeah!)
[**Eb F#**]I [**B**]want you [**G#**]back (She says) x4

Instrumental- **F# Ebm** x2

But what s [**G#**]worse, she thinks it s [**F#**]true
But that s just [**G#**]her she always was a [**F#**]little bit confused
[**G#**]She s not worth the [**F#**]time I had to lose

That s [**C#**]her, I ll never believe her [**B**]again
She might have [**C#**]deceived my [**B**]friends
I know they will see what it means when she [**Bb**]says (yeah!)
[**Eb F#**]I [**B**]want you [**G#**]back (She says) x10 end on **Eb**
