

I Want You Back
Hoodoo Gurus

Intro - **Bb Gm** x2

[**Bb**]I can still recall the [**Gm**]time
[**Bb**]She said she was always [**Gm**]mine
Then she [**C**]left, as people [**Bb**]do,
And [**C**]forgets what we ve been [**Bb**]through

[**Bb**]It s not that she s gone [**Gm**]away
[**Bb**]It s the things I hear she [**Gm**]has got to say
About [**C**]me - and about my [**Bb**]friends
When [**C**]we ve got no [**Bb**]defence.

That s [**F**]her, I ll never believe her [**Eb**]again
She might have deceived all my [**F**]friends
I know they will see in the [**Eb**]end
What it all means when she [**D**]says (yeah!)
[**G Bb**]I [**Eb**]want you [**C**]back (She says) x4

Instrumental- **Bb Gm** x2

But what s [**C**]worse, she thinks it s [**Bb**]true
But that s just [**C**]her she always was a [**Bb**]little bit confused
[**C**]She s not worth the [**Bb**]time I had to lose

That s [**F**]her, I ll never believe her [**Eb**]again
She might have [**F**]deceived my [**Eb**]friends
I know they will see what it means when she [**D**]says (yeah!)
[**G Bb**]I [**Eb**]want you [**C**]back (She says) x10 end on **G**
