

Get Out Of My Mind
Hootie & the Blowfish

Intro: **D** **G**
D **G**
Last night had a crazy dream
D **G**
You were everywhere it seemed
D **G**
You were fillin up my soul
A **G**
Doin everything to make me whole
D **G**
Read about you in the Sunday Paper
D **G**
Saw your face on the evening news
D **G**
When I woke everything was gone
A **G**
and i remembered we were through
Em **G** **A**
Don t come round here no more

Chorus:

G **D**
Hey, get out of my mind
A **D**
and you tell me we got things to say
G **D**
you come around here looking so fine
A **Bm** **A**
makes it so hard to walk away
G **D**
oh, get out of my head
A **G**
cuz that look there could leave me dead
Em **G**
and then you tell me that you love me

Second Verse same as the first:

Remember you were the one to leave
Came back home and i couldn t believe
I know i would have given anything
you took it all and you made me think
why would she leave me for another man
what does he have lord that i don t have
i see you stayin in his fancy home
I put on Lauren and i drink alone and say

Don t come round here no more

Chorus

Bridge:

D **G**
Bm **A** **G**
I ll be there for you
D **A**
I remember when i said that i would
Bm **A** **G**
always love you too
G **A**
I lied, don t come around no more

chorus 2x

Just another great Hootie song of their new album...listen to the song to get the rhythm.
