Subject: CRD: I m Going home _ hootie & the blowfish

Hootie played at Elon last night and this is what I
have been able to figure out from watching the show.
I was pretty far back, since those damn Carolina
students shoved their way to the front in our gym!

In concert, Hootie started the song with Motherless
Child - Song 12 on the CD...

E **B**
Momma please don t go
A **E**
Won t you stay here for one more day

I ve been you boy for so long now
There s so much I have to say
Scareb s open and I held my heart in my hand
Like a soldier on his very last day
Cried myself to sleep at night
And I listened as I heard the angels say Sha la la

[the chords in the chorus may be wrong, please
advise if they are]

E **F#m** **D** **A***
Sha la la la la, sha la la la, I m goin home
Sha la la la la, la la la la, I m goin home

Something inside of me makes me scream
How could it got to you from a little boy
You ll be all right he is by my side
He s not a little boy, he s my pride and joy Sha la la la la

Sha la la la la, sha la la la, I m goin home
Sha la la la la, la la la la, I m goin home

[solo]

Summer on the radio
and the phone rang
and it was Jeannette
Dear boy we have to let her go
I begged no, no not yet
you left six of us to fend for ourselves
Guess it s just part of someone s master plan
We ll see you left cause your my best friend
you were a light to them
and I smiled when the angels sang sha la la la la
