Hooverphonic - Nirvana Blue

Lovely song, easy to play. I couldn't find any chords so...

intro:

Dmin G F G

Dmin F G F

Dmin **G**

I just jumped out in the open

F **G**

Without knowing if my parachute would save me

Dmin **F** **G** **F**

Its quiet and peaceful in this emotional nirvana blue

G **F**

cause taking off was so easy

G **F**

But landing very rough

Bb **F**

No tears, no smile

G **A**

Not even the urge to cry

Dmin G F G

Dmin F G F

Dmin **G**

I just jumped out in the open

F **G**

Without knowing if my parachute would save me

Dmin **F** **G** **F**

Its quiet and peaceful in this emotional nirvana blue

G **F**

cause taking off was so easy

G **F**

But landing very rough

Bb **F**

No tears, no smile

G **A**

Not even the urge to cry

Dmin **F**

Your portrait is fading

Dmin **F**

Raw canvas remaining

Dmin G A

As a white page in my

Dmin G F G

soul

Dmin F G F

G F

cause taking off was so easy

G F

But landing very rough

Bb F

No tears, no smile

G A

Not even the urge to cry
