Drop by Hope Sandoval & The Warm Inventions

From: Bavarian Fruit Bread Album

Intro: F, Bb, C, F

**F**

The way you drop

**Bb**

Is like a stone

**C**

Making like you re flying

**F**

But you ve just been thrown

**F**

Til kingdom comes

**Bb**

And through bitten tongues

**C**

These eyes get stung

**F**

With every curse that s sung

**Bb**

These twisted times

**F**

Can t compare to mine

**G**

And heaven knows

**C**

**Bb**

**C**

**Bb**

**C**

Where loving goes

**F**

I should have guessed

**Bb**

When I took that girl

**C**

Do I love her still

Refrain

**F**

Well that s just a chill
