Notes: This will just be the base chords used to pick around with, matched as best as to lyrics. The chord names aren't correct by anyone's standards, either, so please bear me. In the recording, the chords change a little from phrase to phrase, so it's up to you to adjust the fingering to your own tastes.

Tuning: Standard CAPO 4th

I can see the light now

From afar a way out

But its slowly drifting away from me

A|-----|  
E|-----|
```

That s it. I know it s not the most complete tab, so any questions comment or email.
