Love of my life, my soulmate

**F**                    **G**                    **C**  
You re my best friend

**F**                    **G**                    **C**    **Am**  
Part of me like breathing

**F**                    **G**                    **C**  
Now half of me is left

**F**                    **G**                    **C**  
Don t know anything at all

**F**                    **G**                    **C**    **Am**  
Who am I to say you love me

**F**                    **G**                    **C**  
I don t know anything at all

**F**                    **G**                    **C**    **Am**  
And who am I to say you need me

Color me blue I m lost in you  
Don t know why I m still waiting  
Many moons have come and gone  
Don t know why I m still searching

Don t know anything at all  
And who am I to say you love me  
I don t know anything at all  
And who am I to say you need me

Hmmm hmmm mmm  
Uhhh oohhh aahhh  
Hooo aahhh ohh ohhh

Now you re a song I love to sing  
Never thought it feels so free  
Now I know what s meant to be  
And that s okay with me

But who am I to say you love me  
And who am I to say you need me  
And who am I to say you love me

Mmmm hmmm

I don t know anything at all  
And who am I to say you love me  
I don t know anything at all

And who am I to say you need me  
I don t know anything at all

I don t know anything at all  
I don t know anything at all  
I don t know anything at all
