

## Dreamers

### Hopium

[Intro]

**G** **Em** **D**  
Oohhooohoooh, oohhooohooohooohoooh  
**G** **Em** **D**  
Oohhooohoooh, oohhooohooohooohoooh  
**G** **Em** **D**  
Oohhooohoooh, oohhooohooohooohoooh  
**G** **Em**  
Oohhooohoooh

[Verse 1]

**Em**  
You came home late last night  
**D**  
Stumbled past half drunk beers  
**G**  
The days became weeks  
**Em** **G**  
How did weeks become years  
**Em**  
Back pocket excuses  
**D**  
But second chances don t come cheap  
**G**  
You made yourself a promise  
**Em** **G**  
Then you forgot to keep it

[Pre-Chorus]

**Em** **D** **G C**  
You said this would be your year  
**Em** **D** **G C**  
You said this would be your year

[Chorus]

**Em** **D**  
You said this would be your year  
**G** **C** **Em**  
But you fucked around now December s here  
**G** **C**  
You must be one of the dreamers  
**Em** **D**  
You say that you re tired of sleeping  
**G** **C** **Em**  
But close the shutters when the sun starts creeping in  
**G**  
You must be one of the dreamers

You must be one of the dreamers

G                  Em                                  D

Oohooohoooooh, oohooohooohooohooohoooh

**G**                      **Em**                                      **D**  
 Oohhooohoooh, oohhooohooohooohoooh

**G**                      **Em**                                      **D**  
 Oohooohoooooh, oohooohooohooohooohoooh

G                  Em  
Ooohoooohooooh

Em

You put up a smoke screen

D

Hiding from the midnight sun

**G**

Made friends into enemies

Em

**G**

But you were your worst one

Em

It couldn't be your fault

D

When conspiracies sounded so sweet

G

You fed yourself on lies

Em

**G**

Now you re fat with bullshit

Em                      D                      G C

You said this would be your year

Em                      D                      G C

You said this would be your year

Em D

You said this would be your year

**G**                      **C**                      **Em**

But you fucked around now December s here

You must be one of the dreamers

Em D

You say that you re tired of sleeping

**G** **C** **Em**

But close the shutters when the sun starts creeping in

## G

You must be one of the dreamers

C

You must be one of the dreamers

[Bridge]

**Em G Em G**

**C**

You must be one of the dreamers

**Em D G C**

**Em D G C**

**Em D G C**

You said this would be your year

**Em D G**

You said this would be your year

**C**

You must be one of the dreamers

[Instrumental]

**G Em D**

Oohhooohoooh, oohhooohooohooohoooh

**G Em D**

Oohhooohoooh, oohhooohooohooohoooh

**G Em D**

Oohhooohoooh, oohhooohooohooohoooh

**G Em**

Oohhooohoooh

[Outro]

**Em**

I woke up this morning

**D**

It was extremely cold outside

**G**

The clouds were really gray

**C Em**

And I looked at the clock, and it was 12

**D**

And I thought the clock was tricking me

**G**

**C**

But I just slept for a really long time

**Em D**

The next thing I did was have a shower

**G**

**C**

And I felt safe because I wasn't in the wind

**Em**

And while I was in the shower my phone was ringing

**G**

Which is why I didn't pick it up

**D C**

I just thought I should tell you that

**Em**

I called you back

**D**

You told me you'd got a job

**G**

I asked if you could get me one

**C**

And you said maybe

**Em**

**G**

Then became very aware that I didn't do much

**G**

But I guess that's kinda normal

**C**

When you wake up at 12

[Instrumental]

**D**

ooohooohooohooohoooh

**G**

**Em**

**D**

Oohooohoooh, ooohooohooohooohoooh

**G**

**Em**

**D**

Oohooohoooh, ooohooohooohooohoo
