Verse Progression:

D F#m E A

Chorus/End Progression:

A E D A

-Verse 1-

Bit by bit, and piece by piece
it s adding up. The one I love loves me the least.

A growing need for apologies,
but when I m wrong I m weak in the knees.

-Chorus-

It s better now. Don t come back to me.
Let it be known I m a liar and a thief.

What I stole is what I ve said.
It s a shame our books been closed
because it s words have been bled.

-Verse 2-

Inch by inch, a foot to feet,
a growing gap, and the miles between.

A single lie becomes a beast.
It s adding up, the one I love loves me the least.

-End-

Breathing deep,
lying awake too alone to sleep.

It s in my mind and in my head.
There s a certain type of cold that lives in this bed.
