

One Voice

Hosanna! Music

[Verse 1]

**D**            **A2**            **F#m**            **Bm**  
Father we ask of You this day  
**Em**                            **A2**  
Come and heal our land  
                         **Em**            **A2**  
Knit our hearts together  
                         **F#m**                            **Bm**  
That Your glory may be seen in us  
**G**                                            **D**  
Then the world will know  
                         **Em**                            **A2**  
That Jesus Christ is Lord

[Chorus]

**D**    **F#m**                            **G**                            **A2**  
Let us be One Voice, that glorifies Your name  
                         **D**    **F#m**                            **G**                            **A2**  
Let us be One Voice, declaring that You reign  
                         **F#m** **F#**                            **Bm**                            **G**  
Let us be One Voice, in love and harmony  
                         **Em**                            **A2**                            **D**  
And we pray O God, grant us unity

[Verse 2]

**D**            **A2**            **F#m**            **Bm**  
Now is the time for you and I  
**Em**                            **A2**  
To join our hearts in prayer  
                         **Em**            **A2**  
That the name of Jesus  
                         **F#m**                            **Bm**  
Will be lifted high above the earth  
**G**                                            **D**  
Then the world will know  
                         **Em**                            **A2**  
That Jesus Christ is Lord

[Chorus]

**D**    **F#m**                            **G**                            **A2**

Let us be One Voice, that glorifies Your name

**D F#m G A2**

Let us be One Voice, declaring that You reign

**F#m F# Bm G**

Let us be One Voice, in love and harmony

**Em A2 D**

And we pray O God, grant us unity
