

**Last One Standing**  
**Hot Chelle Rae**

**Am** **F**  
I need this like air in my lungs  
**G**  
This element tears through my bones  
**Am**  
It keeps me fighting

**Am** **F**  
Well I, emotions that swim through my veins  
**G**  
A fever that shows in my face  
**Am**  
I m not hiding  
**F** **G** **G** (deixe soar)  
And this fire is alive in your eyes

**C** **G**  
Well I can barely breathe  
**Am**  
And I can hear the dark hearts marching  
**F** **C**  
I won t go down easily  
**C** **G**  
Stay here by my side  
**Am**  
And we will be the last ones standing  
**F** **Am**  
Hold my hand and kiss me before the hearts collide

**Am** **F**  
Cold, the feeling of fear on my skin  
**G** **Am**  
Dying to find a way in the silver lining  
**Am** **F**  
The stars, they burn out like dreams all around  
**G**  
Falling like rain to the ground  
**Am**  
But you re still shining  
**F** **G** **G** (D.S)  
And this fire is alive in your eyes

**C** **G**  
Well I can barely breathe  
**Am**  
And I can hear the dark hearts marching  
**F** **C**

I won't go down easily

**C** **G**

Stay here by my side

**Am**

And we will be the last ones standing

**F**

Hold my hand and kiss me

**Am** **G** **F**

Don't wake me up

**G** **Am**

I feel your touch

**G** **F**

Your love like blood runs through me

**G** **C G Am F**

You consume me

**C** **G**

Well I can barely breathe

**Am**

And I can hear the dark hearts marching

**F** **Am**

I won't go down easily

**Am** **G**

Stay here by my side

**Am**

And we will be the last ones standing

**F**

Hold my hand and kiss me

( **C G Am F** ) (2x)

**C** **G**

Well I can barely breathe

**Am**

And I can hear the dark hearts marching

**F** **C**

I won't go down easily

**C** **G**

Stay here by my side

**Am**

And we will be the last ones standing

**F**

Hold my hand and kiss me

( **C G Am F** ) (2x)
