Watch your little mouth cause you taste like you re already gone!

Small town girls and boys make too much noise so I keep to myself
But acting tough is rough - enough is enough - I feel like hell
Tied up in London, you came undone with a two handed tug
With pieces of a phone, thrown at the door, spread out on the rug

I don t wanna wait anymore

Wash your dirty mouth
Your dirty mouth
Watch your little mouth
Watch your dirty mouth cause you taste like you re already gone

I gotta say I cannot wait
Not even one more night or day
Why don t you fly and get away
And end this awful holiday
Come and play
Come and stay

I gotta say I cannot wait
Not even one more night or day
Why don t you fly and get away and end this awful holiday

Wash your dirty mouth
Your dirty mouth
Watch your little mouth
Watch your dirty mouth cause you taste like you re already gone
