LET ME IN - HOT HOT HEAT

D A D A D A D A D

D A D  
Woke up in smoke and flames

A D  
Eye to eye with a stranger

A D  
5000 photographs

A D  
Saw them burnt up in anger

D  
Am I asleep still ?  
Tell me I could have been

A D  
Don t let it tear us apart again limb from limb

G A D  
Please let me in

G  
But I don t wanna look at you this way  
I m staring through your window

D  
I don t wanna think of you this way  
I m begging baby

D  
Let me in

A D  
Baby just let me in

G  
I m begging at your door

A D  
Just let me in

A  
Just let me in

D A D  
I drank the wine of youth

A D  
Ended up in a coma

D A D  
Your wicked silver tongue

A D

No wonder nobody told ya

**D**

That I m awake now  
First time I ve ever been

**A D**

Able to see what I should have seen way back when

**G A D**

You let me in

**G**

But I don t wanna look at you this way  
I m staring through your window

**D**

I don t wanna think of you this way  
I m begging baby

This white flag waving just won t end up saving us
